The Rochester Women’s Community Chorus provides a creative and safe environment for women of various levels of musical expertise to sing together. The chorus embraces women of many cultural and ethnic backgrounds, life experiences and sexual orientations. The RWCC is dedicated to using music as the vehicle for messages of peace, hope, understanding, and cooperation within the global community. While all singing members are women, both men and women who wish to join the RWCC family are welcomed in non-singing roles.

(The RWCC reserves the right to reject ads that are in conflict with our Mission Statement.)
